*****15977 The building is situated in the Katholiki area of Limassol and features a basement, a ground floor with a small back garden, a mezzanine, and a first floor. Additionally, there is a roof garden with a BBQ area and artificial grass. The building can be rented either as a single unit or divided into two separate offices. One company could occupy the basement and ground floor, while another could use the mezzanine and first floor. All offices will share the lobby, elevator, and ground-floor entrance, with access to the roof garden. Each floor is equipped with a kitchen, toilets, and a conference room. The design is open plan, finished with an industrial aesthetic. The building inc...
