....."Charming 2 bedroom bungalow for sale in Pyrgos, situated in the heart of the village with tavernas, restaurants, coffee shops and convenience stores all literally on your doorstep. Both bedrooms are ensuite, one with bath, the other with shower and in addition there is also a guest WC. The property also has a log burner which warms the house and creates that winter cosy feel which is often lacking on the island during the brief winter. In addition there is extra build density to construct another floor, adding value to the property."....."
