Introducing this magnificent residential field of 3,326 sq.m in a nice residential neighbourhood in the Agios Georgios area of Limassol, close to Troodos Junction and Havouzas Church. The land has an almost straight, four-sided shape with access from 2 registered roads. There is easy and convenient access to the highway and the City Center. All amenities and services are nearby. This field is an excellent opportunity for the development of 3 apartment blocks. It has a building density of 100%, ideal for constructing buildings with up to three floors. The smooth surface of the land enhances its development potential, adding to its unique appeal. Future developments in this field can off...
