A beautiful agricultural land filled with olive trees and views of the sea is up for sale in Maroni. We bought 4 plots with separate title deeds 5 years ago together with my partner and the value of the land has been going up and it is expected to go up significantly so a perfect long term investment opportunity. I'm selling 50% share of the 2000m2 plot. My ex-partner, the other owner is open to negotiation so you could have full ownership of 2 plots instead of 50% ownership of the 4 plots (with separate title deeds)....
