"2 bedroom apartment for sale in a modern complex in Limassol, Agios Athanasios. The spacious layout includes a living room, kitchen and two bathrooms, as well as a large balcony. The building fully complies with EU earthquake protection standards, providing a high level of safety. The complex is built using advanced European materials: the apartment has ceramic floors inside and outside, as well as laminate flooring in the bathrooms. Each apartment has a solar panel system for heating water. The entrance to the territory is carried out through an automatic gate with remote control. The convenient location near the city infrastructure makes the apartment attractive for both living and...
